FT6012

- **Knit:** Cotton Jersey lining
- **Coating:** 3/4 Nitrile coated gloves Safety cuff
- Heavyweight coated. Jersey lined. Blue color. No latex allergens. Coated nitrile effectively replaces cotton in a broad range of dry and light applications.
- Additional advantages for coated nitrile offer excellent grip and are machine washable. Unsupported nitrile is an outstanding combination of strength for puncture and chemical resistance.
- **Size:** 9/L 10/XL
